To Whom It May Concern:

It is with great enthusiasm that I write this letter of recommendation for Roers' Construction and Development.

I have worked with the entire Roers' Development team for approximately three years. Over that period I have been extremely impressed with their professionalism, responsiveness and knowledge of the development industry. Jim and Sandra are accessible and willing to discuss the best potential option for any client.

Whenever the Economic Development Corporation has referred a business to the Roers' team, it is with great confidence that the client will be satisfied. This confidence is absolutely invaluable when attempting to recruit and retain growing businesses in the Fargo metro area.

I would be happy to further discuss this letter. Please feel free to contact me day or night at 701-237-6132, or by email at don@fedc.com.

Sincerely,

Donald Berg
Senior Vice President
